

# High-Impact Tutoring Suite

Partnering with educators in effectively navigating a tutoring program to ensure accelerated student learning

## CHALLENGE

There's not enough time and resources to successfully achieve accelerated learning.

(HB 4545)

## SOLUTION

High-impact tutoring leads to substantial learning goals provided that the program is **purposefully designed, implemented with fidelity, managed to ensure progress, and evaluated for sustainability.**

The High-Impact Tutoring Suite includes four key components and multiple features.

### DESIGN

**Program Design:**  
A prescriptive, research-based framework informed by the analysis of the goals and needs of the district or campus

- Landscape Analysis
- Change Management
- Team Dynamics
- Strategy & Curriculum Alignment
- Scheduling

### MANAGEMENT

**Program Management:**  
A purposeful focus on adherence to implementation via crucial monitoring, measuring, and collaborating

- Program Manager
- Ongoing Data Reviews
- Checkpoints
- Tutor In-Service
- Resource Hub for Tutors

### IMPLEMENTATION

**Program Implementation:**  
Executing program design to ensure intended and sustained results are achieved by being proactive and transparent

- Program Manager
- Fidelity of Protocols:
  - Implementation
  - Communication
  - Data
- Tutor Pre-Service

### EVALUATION

**Program Evaluation:**  
Utilizing multiple data points to determine the success of the program and future improvements or enhancements

- Impact Reports
  - Quantitative
  - Qualitative
- Forward Planning
- Curriculum Review
- Cost Analysis

Implementing high-impact tutoring is **now more feasible** than ever before, as tutoring is an **explicitly allowable use** of ESSER funds.

Let us help you not only be compliant with your programs but **achieve success** at the same time!

ECS Learning's High-Impact Tutoring Suite comprehensively addresses every aspect of how a high-impact tutoring program can achieve the results needed to accelerate student learning and to create confidence in all stakeholders.
